Questions to Ask Your Doctor

About Having Chemotherapy

- ☐ What are the **names of the drugs**, and how will each be given?
- ☐ What are the possible **side effects** of each medication? What side effects or problems should I watch for?
- ☐ Who should I contact about any side effects I experience? And how soon?
- ☐ What can be done to lessen these side effects?
- ☐ Will I receive this treatment at a **hospital or clinic,** or will I take it at home?
- ☐ Will I be able to go to and return from this treatment on my own, or should I find someone to help me?
- ☐ What are the recommendations for people who take their medication at home?
- ☐ What will these medications **cost** me? Are there less expensive options that work as well?
