

Questions to Ask Your Surgeon

- What type of surgery will I have? Will **lymph nodes** be removed?
- Will my surgery be minimally invasive or open?
- How will surgery affect my **breathing**?
- How long will the operation take?
- How long will I be in the hospital?
- Can you describe what my **recovery** from surgery will be like?
- Who should I contact about any **side effects** I experience? And how soon?
- What are the possible **long-term effects** of having this surgery?
- Are there **treatment options** other than surgery for this type of cancer?
